She has no mouth, but she always looks happy. She is on almost everything you see: clocks, notebooks, schoolbags, watches, even on toasters! She is Hello Kitty—one of the most popular cats in the world.

Hello Kitty was born on 1 November, 1974 and she lives in London with her parents and her twin sister, Mimmy. Her hobbies are travelling, music, reading, eating delicious cookies and making new friends.

The Japanese company Sanrio made Hello Kitty more than thirty years ago. The cat soon became popular. People love her different styles. In 1995, she was wearing a nurse's uniform. Two years later, the ribbon in her hair was changed to a flower. Millions of Japanese schoolgirls copied her style. In 1999, Kitty even got a boyfriend, Daniel.

“Why do we love Kitty so much? It's because she is changing with the times,” said Yuko Yamaguchi, the Hello Kitty designer. “We always try to give Kitty fresh looks. The first Kitty I made was with a piano. That was because lots of Japanese girls at that time played the piano. And a piano was something they all wanted.”
